## PUBLIC NOTICE

The City of Page proposes to apply Class A Biosolids as a soil amendment/fertilizer to approximately 14 acres of the unused Canyon 9 Golf Course fairways 1,2,3,8 & 9 under the guidelines of the Arizona Department of Environmental Quality. The Biosolids have been tested and meets all the requirements for this application.

Questions regarding this project should be directed to Brent Mosier, Water/ Wastewater Plants Supervisor (928-645-4315) or the Arizona Department of Environmental Quality (602-207-4125).
